NOTICE OF PUBLIC MEETINGS

Public Demonstration of Voting Equipment

4:30 p.m. to 6:00 p.m.
Thursday, July 16, 2015

Wisconsin Election Administration Council

12:30 p.m. to 3:00 p.m.
Friday, July 17, 2015

Both meetings will be held at the

Government Accountability Board

Board Room

212 East Washington Avenue, 3rd Floor
Madison, WI 53703

There will be a PUBLIC DEMONSTRATION of Election Systems and Software's (ES&S) Unity 3.4.1.0 and 3.4.1.1 Voting Systems at the above time and place. This system is being tested and considered for approval by the Government Accountability Board.

These new voting systems are modifications to the previously approved Unity 3.2.0.0 and Unity 3.4.0.0 voting systems. The G.A.B. is testing three pieces of ES&S equipment:

- DS200 (polling place electronic scanner and tabulator)
- DS850 (central count location electronic scanner and tabulator)
- ExpressVote (ballot-marking device)

The Wisconsin Election Administration Council (WI-EAC) will also meet at the above time and place to view a demonstration of the systems.

Under Administrative Code Chapter 7, the Board may use a panel of local election officials and electors to assist in the review of the voting system. The Board is asking the WI-EAC, created pursuant to Wis. Stat. § 15.607, to serve this purpose. WI-EAC's input will be made part of staff's recommendation that will be submitted to the Board for consideration at its September 1, 2015, meeting.

The demonstration and WI-EAC meeting are open to the public.
